A defendant whose term is revoked may not be required to serve more than 2 years in prison if such offense is a Class C felony.

Guideline Penalties: In the case of revocation of supervised release, the applicable term of imprisonment is found in the Sentencing Guideline Table under 7B1.4(a)(2). This section states that for a Grade C Violation with a Criminal History Category of V, and where the defendant was on supervised release as a result of a sentence for a Class C felony, the applicable imprisonment range is 7 to 13 months.
